

FAQs for Application from Organisations

Q. Can a Limited Company apply?

A. In general Grants are not given to private companies. Organisation Grants are for Not-for-profit organisations, social enterprises or local Groups that are constituted and have a suitable dissolution clause.

Example of a suitable Dissolution Clause:

DISSOLUTION

(a) The Group may be dissolved by a resolution passed by a simple two-thirds majority of those present and voting at a Special General Meeting.

(b) If confirmed, the committee shall distribute any assets remaining after the payment of all bills to other charitable group(s) or organisation(s) having aims similar to the Group or some other charitable purpose(s) as the Group may decide.

**Dissolution simply means what will happen if your group closes down (dissolves). Part (a) sets out how many people must be present in order to dissolve the group, and part (b) sets out what will happen to any resources that your group has if it dissolves.*
